

*"Speed, Quality, Economy..."*

## **Facility Information** *NAPERVILLE, ILLINOIS*

- ADDRESS:** Accel Corporation Telephone: 630-579-6961  
720 Frontenac Road  
Naperville, IL 60563 Fax: 630-579-6958
- WEBSITE:** [www.accelcolor.com](http://www.accelcolor.com)
- FACILITY:** Opened in August 1998. Began manufacturing October 1998 – 62,000-square-foot building, housing raw material warehouse, production areas, laboratory and offices. Conveniently located in a western suburb of Chicago, Illinois, forty minutes from both Midway and O'Hare airports.
- EQUIPMENT:** Eleven extrusion lines (single-screw and twin-screw extruders), nine mixers and blenders, including high-intensity mixers. Liquid color laboratory and production capabilities. Full product development and quality control laboratory with equipment including specialty testing equipment, three injection molding machines, and a state-of-the-art color-matching computer.
- DIRECTIONS:** From the Rte. 88 Toll way – Take the East-West Tollway (Rte. 88) west toward the western suburbs. Take the Rte. 59 exit. Turn left (south) from the exit ramp. Go to North Aurora Road. Turn right (West). Go approximately one mile to Frontenac Road. Turn right onto Frontenac Road (Accel Corp. is on the corner of Frontenac Road and North Aurora Road).
