Ontario, CA 91761 Fax: 909-390-0100

WEBSITE: www.accelcolor.com

FACILITY: Established in March 2003 when Accel acquired PolyTech Color & Compounding, a specialty color company founded in 2000. Occupies a 25,000-square-foot facility, which houses raw material storage, production areas, laboratory and offices. Conveniently located in an eastern suburb of Los Angeles and 15 minutes from the Ontario Airport.

EQUIPMENT: Four extrusion lines (single-screw and twin-screw. Full product development and quality control laboratory with equipment including rollmill, rotomolding ovens, other specialty testing equipment, three injection molding machines, and a state-of-the-art color-matching computer.

DIRECTIONS: From the 10 Freeway – Take the 10 Freeway to the 15 Freeway, exit South on the 15 Freeway to Jurupa Street exit. Turn right (West) on Jurupa Street to Woodruff Way (first right after exiting the freeway). Turn right and proceed to end of street (Woodruff Way dead-ends at Wanamaker Avenue). Make a right turn on Wanamaker Avenue and proceed to 847 S. Wanamaker Avenue (Accel is on the right side after passing the amusement park).

From the 60 Freeway – Take the 60 Freeway to the 15 Freeway, exit North on the 15 Freeway to Jurupa Street exit. Turn left (West) on Jurupa Street to Woodruff Way (first right after exiting the freeway). Turn right and proceed to end of street (Woodruff Way dead-ends at Wanamaker Avenue). Make a right turn on Wanamaker Avenue and proceed to 847 S. Wanamaker Avenue (Accel is on the Right side after passing the amusement park).

From Ontario Airport – Exit right (East) from airport onto Airport Drive and proceed East. Airport Drive turns left at the signal past Haven Avenue. Continue on Airport Drive to Wanamaker Avenue and turn right (South) (Accel Color is on the Left side at 847 S. Wanamaker Avenue).
